

Ouder- en kindadviseurs Uithoorn

As *Ouder- en kindadviseurs* (Parent and Child Advisors) we are qualified to help you with any questions you might have concerning your children, parenthood and the development of children in the age of 0 to 12 years. The services from the *Ouder-en kindadviseurs* is paid for by the municipality of Uithoorn. The *Ouder- en kindadviseurs* are part of the organization Uithoorn voor Elkaar.

Who is this for?

Raising your children isn't always easy. Every child is unique and every age demands different parenting skills. Many parents have questions about raising their children or find it difficult to do it together. For example: how do you deal with tantrums, problems with sleeping or eating, playing with other children, or how to potty train your child? Also changes in your family life can create questions or emotions and as *Ouder- en kindadviseurs* we are also there to help you and your child(ren) with that. Additionally, we can help you finding specialized services for your family's needs and we can send you in the right direction.
